

WGI - College Sports Webcasting

We bring professional quality webcasting services to your college

Reach a Global Audience

Webcasting your sporting events is easy, affordable and often a money maker.

- Great for parents and alumni
- Helps with recruiting
- Ad revenue adds to your budget
- Compatible, easy to watch
- High quality video streaming

Game Player Plus

Your game will play inside of our advanced webcast player with integrated features.

- High quality video
- Branding for each sport
- HTML area for sponsors or ads
- Facebook, twitter and other social widgets are easily integrated
- Integrated audience question system for sending questions to the announcers.

Affordable

We offer three levels of subscription plans suited to your audience size. it only takes a few ads or sponsors and you can turn your webcasting into a revenue generation machine.

	Monthly Viewer Hours	Monthly Subscription
Live 500	500	\$250
Live 1000	1000	\$500
Live 2500	2500	\$1000

Game Page for Every Sport

Every sport will have it's own live game day web page. This game day page is branded to the sport and includes the following features:
